

Accomodation Module or "Pastie" x2

Print this page Twice

NSO-929 Dreadnaught-class Corvette

Created by Duncan Day (c) 2005

Tip:

Glue upper and lower pastie sections to rear wall first, then carefull attach part 46 to front upper and lower edges ENSURING THAT IT REMAINS STRAIGHT across the entire front arc of the pastie.

PBC

Particle Beam Cannon X2
